

# MSE Side overflow dual flush

## DESCRIPTION

- Rotating actuating base
- High flow rate plug
- **Adjustable dead water level**
- **Adjustable small flush**
- Actuation effort below 20N

### CFD58

- MSE short
- One piece cistern

### CFV

- MSE short
- Close coupled cistern

### LTD58

- MSE high
- One piece cistern
- Adjustable telescopic overflow

### LTV

- MSE high
- Close coupled cistern
- Adjustable telescopic overflow

### LFV

- MSE high
- Close coupled cistern

### LFD58

- MSE high
- One piece cistern
