

Cistern-Frame

UERSO BCM 1100

of installation

Types

Secure to
bearing wall

30/30 steel structure

(tested at 400 kg according to standard NF XP D12-208) coated with epoxy paint tested at 6000 hours in salt spray equivalent to a 25-year anti-corrosion guarantee.

Wall mounting

(6 wall fastening points + 2 in the floor)

Front controls

Wide range of adjustments

Capacity cistern: 6/9 L
of noise-proof insulated and anti-condensation polystyrene
(sealing tested unit by unit)

Water saving flushing mechanism

Silent float valve 
1st category NF, DIN, KIWA

Water connection inside cistern
(no risk of leakage)

Easy assembly
(adjustment by setscrew, template and detailed assembly manual)

Easy maintenance
(easy access to equipment)

Esthetic control plate
(compact size)

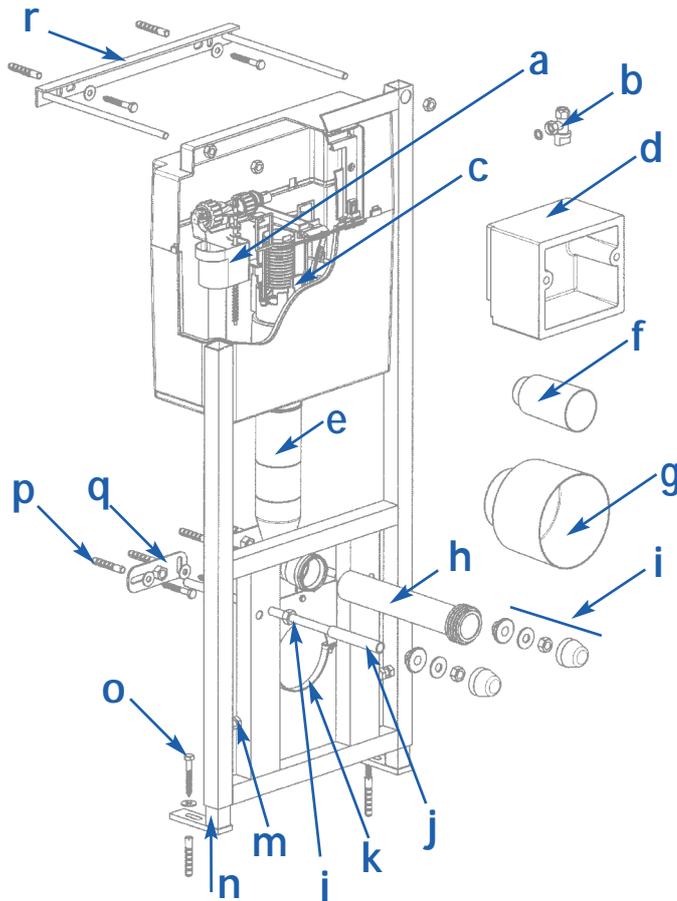

Conforms to standard NF XP D12-208 and standard DIN 19542

Guaranteed 10 years
(except for rubber parts)

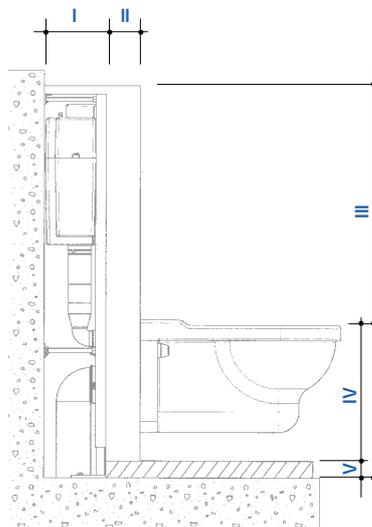

SIAMP

Monaco

TECHNICAL CHARACTERISTICS:

- | | |
|--|---|
| a : Float valve | i : Bowl attaching kit |
| b : 1/4 turn spherical stop valve with bicone | j : Flexible cover (x2) (Bowl protection) |
| c : Mechanism | k : Pipe attaching collar |
| d : PSE template (protection during cladding) | l : Bowl attaching rod (x2) |
| e : Supply bend | m : Setscrew (x2) |
| f : Supply bend cap (protection during cladding) | n : Adjustable foot (x2) |
| g : WC pipe plug (production during cladding) | o : Screw (x8) |
| h : Supply sleeve | p : Plug (x8) |
| | q : Bowl rod attaching tab (x2) |
| | r : Attaching bracket |

Wall mounted version:

- Fixed sizes:

- Max. cladding thickness (I) 100 mm
- Max. finished floor thickness (V) 185 mm

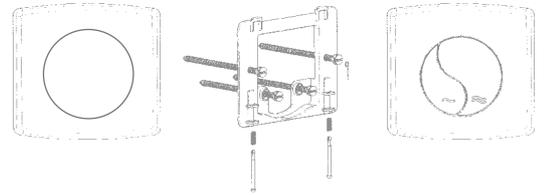

- Adjustable sizes:

- Frame depth (I) 180 to 245 mm
- Height (III) from 1080 to 1280 mm
- Bowl height (IV) from 325 to 525 mm
- Bowl center distance 180 or 230 mm

ACCESSORIES:

Control plates:

- White single volume ref : 31-1830-10
- Chromed double volume ref : 31-1850-10
- Chromed single volume ref : 31-1880-10
- Double volume white ref : 31-1800-10

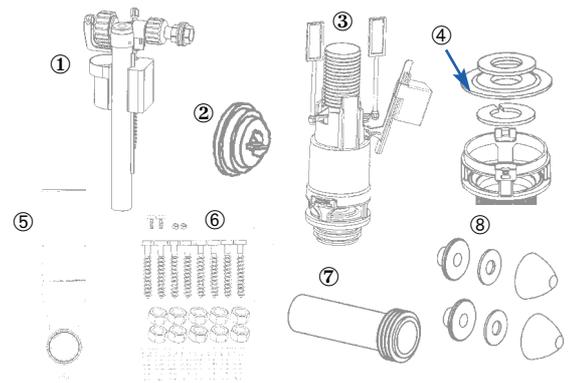

Drain kits:

- Bend kit ref : 92-4000-07
- Straight kit ref : 92-4010-07

SPARE PARTS:

- 1 Complete valve ref : 30-9503-07
- 2 Valve membrane ref : 34-9513-07
- 3 Complete **VERSIO** mechanism ref : 32-4544-07
- 4 Seal for mechanism ref : 34-2332-07
- 5 Supply bend ref : 34-0179-07
- 6 Bag of hardware ref : 34-1100-07
- 7 Supply sleeve ref : 92-4030-07
- 8 Ceramic kit ref : 91-0155-07

Range

Cistern Frame **VERSIO** 1100

floor standing:

- BCS 1100 ref. : 31-1000-10

Cistern Frame **VERSIO** 1100

complete wall mounted:

- BCM 1100 complete ref. : 31-1150-10
