Pacific
Thermoplastic
toilet seat
Adjustable Hinges

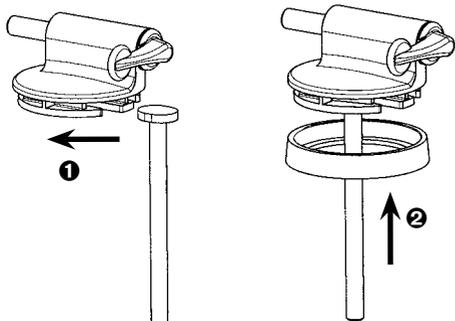

I - HINGES DESCRIPTION

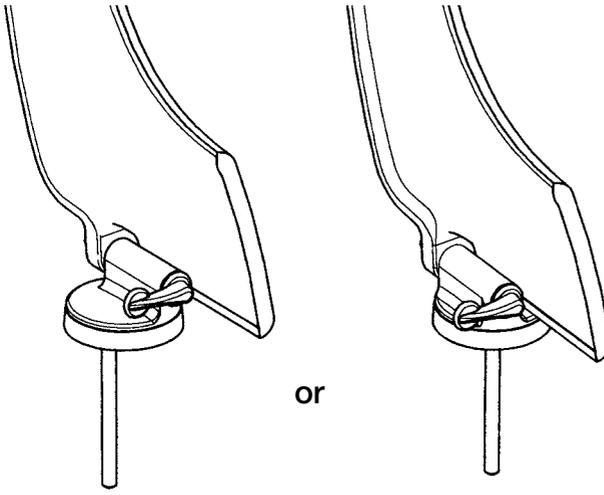

- A** Hinge receiver (x2)
- B** Base (x2)
- C** Screw (x2)
- D** Nut (x2)

II - ASSEMBLING THE HINGES

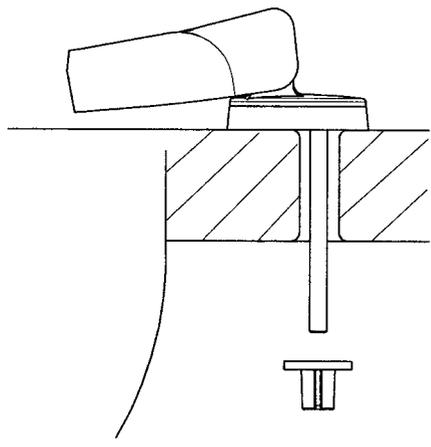

- 1** Insert screw **C** into receiver **A**
- 2** Position base **B** under receiver **A**

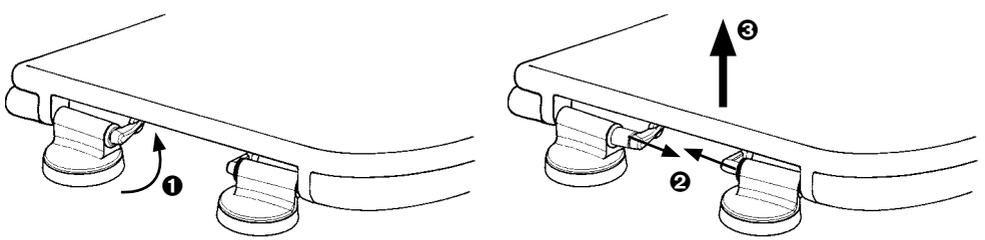

③ Line up each hinge with the two present holes of the toilet pan

III - ATTACHING THE SEAT

- Fit and secure toilet seat to toilet pan
- Push nut over thread to lock onto washer and tighten

IV - CLEANING INSTRUCTIONS

To clean use only warm soapy water and dry with a soft cloth.
Do not use abrasive cleaners or detergents, as this could damage the surface of the seat.
