

FIXING INSTRUCTIONS

49/99B JACUZZI

IMPORTANT

Before starting work please...

- Read carefully these instructions.
- Remove all protection from pottery and check for surface damage or defects as no responsibility can be accepted for obvious defects after installation.
- Check all parts against the parts list.
- Prepare a firm working surface (e.g. floor or bench) for cistern assembly, covering work surface with a cloth to prevent scratching the glazed faces of the cistern.

WARNING

Alterations to these cistern fittings may infringe water regulations and will invalidate our Guarantee

WRAS Approved Inlet Valve COMPACT 99B

WRAS Approved Outlet Flush Valve OPTIMA 49

WC Suite UK Water Supply compliant
